TC 1700

Sir:

In response to the Office Action dated January 18, 2002, please amend the claims
as follows:

In THE TITLE

Please amend the title to read:

--Apparatus and Method for Making a Magnetic Coated Medium, and a Coated
Medium Therefrom.--

IN THE CLAIMS

Please cancel claims 1-9 and add new claims 10-27.

--10. A method of applying a coating to a surface of a medium to form a coated
medium comprising the steps of:

a) providing a coating material by mixing a binder material suitable for being
spread substantially and regularly over the surface and a ferromagnetic component;

b) providing a medium having the surface to be coated, the surface capable
of receiving a substantially and regularly spread coating material; and
